

# Catalog 2016

Since we started with our new plastic producer in late 2014

**All new kits are new tooling, using advanced slide molding, and multi-slide 1 piece bodies, with small gates and parts easy to remove**

**Accuracy and rivet counting is our way, all details finely reproduced, also underneath, true-to-scale wall thickness and correct wheels and tyres**  
**All 1/35 scale**
